

GRACE CHURCH JUNE SOAP READINGS

Using the SOAP method of Bible reading can keep us on the disciple's pathway. You're invited and encouraged to use the following Bible passages each day of the month. Here's a quick reminder of SOAP.

S – Scripture. Use the ones listed on the calendar

O – Observation. What is God speaking through these verses? What do these verses mean?

What do you observe in your reading? Jot these observations in a journal or notebook.

A – Application. How does what you read apply to your life, right now? What is God saying to you? What principles can you apply to your life today?

P - Prayer. Close the time in prayerful conversation with God. Thank him for what you learned and for how this applies to you right now.

During June, the SOAP readings will focus on men. We'll see what the Bible says about men's character, calling, and relationship with the Creator. While there will be times that the word "man/men" is used generally for human beings, the intent of these SOAP is to communicate to men the call to discipleship. These scriptures are taken from the English Standard Version.
