Jesse,

Thank you for your service! This "care Package" is to let you know that you are thought of, appreciated, and prayed for. I thought I'd share a bit about how this project started.....

My son fought in Iraq in 2003. He is safely home now, but I have continued to send "Care Packages" to our military since he was there. Hard to believe it's been almost 13 years! With the wonderful support of Grace United Methodist Church, I send one or two packages each week. I get names from friends and family and the friends and family of other friends and family. I was so glad to add your name to the list.

We support you and we care. This package sat on our altar; and we specifically prayed for you and the military in your unit, as well as all of our military.

The package is for you to use and share as you see fit. You can help me by sending me names and addresses of others in your unit or other units, so I can add them to my list. It doesn't matter who or where; we support ALL of our military. Our goal is simply to remind you how much we appreciate all you are doing and to pray for your safety and your success. God loves you and so do we.

If you have ANY specific wants or needs, or any kind of special treats, please feel free to let me know. If you know of any military person who needs our encouragement, please send me the address and I'll add him/her to our list.

Thank you for all you do. Be safe!
